

09/24/2010

To whom it may concern,

I have been the Boating Law Enforcement Coordinator for the State of Idaho for the last three years. The state purchased a 23 foot Custom Weld Marina for training and law enforcement use. We have had no problems with the boat, and Custom Weld has been outstanding to work with. I know of a number of counties in the state that have also purchased patrol boats from Custom Weld in recent year; all who have been pleased with boats and service of Custom Weld/Riverview Marina. If you have any questions please feel free to call or contact me at 208-799-5126, email rherman@idpr.idaho.gov.

Randy K. Herman

Boating Law Enforcement Coordinator
